Dear Julius:

I have received and read with much interest your letter of 3 December and the enclosed "Reader's Digest" article which you were so good to bring to my attention. Many thanks.

As you know, I have always had a high regard for your views and am pleased to know that the report was so well received. I would like very much to know the results of the international editions, especially in the Far East areas. In the meantime, I am sending it to our specialists here for a further study.

With kindest personal regards.

Sincerely,

SIGNED
